2-Cycle "Bring what you've got"	15+						

Front Tire Size 4.60/10-5 – Rear Tire Size 6.50/11-5

RAIN TIRES: Vega rain tires or MG rain tires

BUMPERS: Full Rear Bumper required for all classes.

GX-160 ENGINES: 2011 or newer Honda GX 160 engines and parts are permitted. New Honda GX 160 engine parts are NOT permitted in the older GX 160 engines.

GX-200 ENGINES: The approved **Honda GX 200 UT2 – QX2** engine may be used as shipped from Honda Canada. All parts and measurements must adhere to the current regulations. Mixing the engine's parts or configuration with others is **not** permitted. This includes the block, head, cam, crank, carburetor, etc. Should a grey area exist you will be found illegal if you did **not** bring it to the attention of the Board ahead of time.

SPEC OIL – The brand of oil used must be both SAE AND API approved, and the oil's bottle must be labeled accordingly.
