

SIMCOE KART CLUB

MEMBERSHIP APPLICATION INSTRUCTIONS

The membership application form must be printed on both sides of one sheet of paper. Applications submitted on two separate sheets will not be accepted. All forms are available from the Documents section of the SKC web site at <http://www.simcoekartclub.com>.

Choose the appropriate fee for the driver to be registered based on the date the application is submitted. The membership fee is per driver.

There is an **“early bird savings”** if you register and pay prior to the date indicated. Each driver **must** designate a Mechanic who will be issued a license (the cost of the mechanic’s license is included in the member’s fee).

Please enter only **one** driver per application form. Use a separate application for each driver in your family. Complete **all** information lines. It is important to complete the driver section completely and accurately. In the event that your address changes, please notify the Membership Registrar immediately. Additional phone numbers may be listed on a separate sheet of paper.

Please include an e-mail address if available. E-mail provides a fast and economical way for the club to get **important** information to our members on short notice.

Make sure you complete the back page of the application. Please **print** and **sign** where indicated. Don’t forget to date the application. An incomplete application will **not** be processed.

You will need one transponder holder per kart. SKC uses the “new style” AMB transponders. If you already have this item, leave the line blank. If you need holders, fill in the number needed and multiply the quantity by \$11.00 for the amount to pay.

Each driver **must** have a designated MECHANIC - MASTER MEMBER. If you are over 18 and a licensed driver, you may already be a MASTER MEMBER. However, each driver must designate their pit crew mechanic, even if the mechanic is the driver. That person **must** hold a current MECHANIC - MASTER MEMBER LICENSE. This is an ASN Canada requirement.

Non-Driver Associate Members are any additional family members (or friends) that may wish to have access to the Pit Area. **Note:** Only **one** member per driver is allowed in grid area on race day.

Calculate total fees, make cheque payable to SIMCOE KART CLUB and mail to Registrar.
